Call for Abstracts

The Organizing Committee welcomes the submission of original contributions for short oral presentations and posters at the Congress.

Abstracts must be written in English. Maximum length is 2500 characters (approx. 350 words)

Abstract should be structured as follows: a brief statement of the purpose of the study (background), the method used, the result observed, and the conclusions based upon the results. It is inadequate to state "The results will be discussed" or "The data will be presented".

The authors' academic degrees, e-mail, residence and grant support should also be included in the abstract.

Accepted abstracts selected by expert reviewers will be presented as oral or poster presentations.

It is the author's responsibility to submit a correct abstract. Any errors in spelling, grammar or scientific fact will be reproduced as typed by the author.

Abstracts should be sent to Mitja.kosnik@klinika-golnik.si

Contact person for all information regarding the program and registration:

Mrs Irena Dolhar
